Platform Presentation Guidelines

Dear participants,

On behalf of the Symposium Organizing Committee, I thank you for submitting your research work for platform presentation at the 2010 Inter-University Biochemistry Postgraduate Symposium on 15 May 2010.

Your presentation will be limited to 15 minutes followed by a 5-minute "question and answer" period. Presentation schedule can be found at the conference website after 1 May.

Since the venue only supports PC, would Macintosh users please bring along your own machines. Also, you are strongly advised to keep a back-up copy of your talk on the web in case of USB drive/computer failure. I look forward to meeting you at the symposium in May.

Yours sincerely,

H.Y. Edwin Chan
