Platform Presentation Guidelines

Dear participants,

On behalf of the Symposium Organizing Committee, I thank you for submitting your research work for platform presentation at the 2016 Inter-University Postgraduate Symposium in Biochemical Sciences on 11 June 2016.

Your presentation will be limited to 15 minutes followed by a 5-minute "question and answer" period. Presentation schedule can be found at the conference website in late May.

Since the venue only supports PC, would Macintosh users please bring along your own machines. Also, you are strongly advised to keep a back-up copy of your talk on the web in case of USB drive/computer failure. I look forward to meeting you at the symposium in June.

Yours sincerely,

H.Y. Edwin Chan
