

# International Conference on Nucleic Acid Enzymes and Enzymes in Human Diseases

**June 16-21, 2013**

**7/F, Mong Man Wai Building  
The Chinese University of Hong Kong**

## Speakers:

### Shannon Au

The Chinese University of Hong Kong

### Quan Hao

The University of Hong Kong

### Nigel Richards

Indiana University-Purdue University  
Indianapolis, USA

### Guoliang Xu

Shanghai Institutes of Biological Sciences,  
CAS, China

### Weiguo Cao

Clemson University, USA

### Dong-Xu He

Jiang Nan University, China

### Pang-Chui Shaw

The Chinese University of Hong Kong

### Wyatt Yue

University of Oxford, UK

### Michael Chan

The Chinese University of Hong Kong

### Chwan-Deng Hsiao

Academia Sinica, Taiwan

### Sen-Fang Sui

Tsinghua University, China

### Yanxiang Zhao

The Hong Kong Polytechnic University

### Nei-Li Chan

National Taiwan University, Taiwan

### Makkuni Jayaram

University of Texas, Austin, USA

### Kong-Hung Sze

The University of Hong Kong

### Guang Zhu

The Hong Kong University of Science and  
Technology

### Yu-Wai Chen

King's College London, UK

### Ichizo Kobayashi

University of Tokyo, Japan

### Nilgun Tumer

Rutgers University, USA

### Wei-Guo Zhu

Peking University, China

### Rao Desirazu

Indian Institute of Science, India

### Xiao-Ping Li

Rutgers University, USA

### Toshio Uchiumi

Niigata University, Japan

### Speakers from New England BioLabs Inc., USA

### David Dryden

University of Edinburgh, Scotland

### Jinsong Liu

Guangzhou Institute of Biomedicine and  
Health, CAS, China

### Mary Waye

The Chinese University of Hong Kong

**Brian Anton, Siu-hong Chan,  
Alexey Fomenkov, Nadia Kulshina,  
Richard Morgan, Sriharsa Pradhan,  
Richard Roberts, Hua Wang,  
Geoffrey Wilson, Shuang-yong Xu,  
Yu Zheng, Ying Zhou**

### Hsiu-Fang Fan

National Yang-Ming University, Taiwan

### Yu-Keung Mok

National University of Singapore, Singapore

### Elmar Weinhold

RWTH Aachen University, Germany

### Deming Gou

Shenzhen University, China

### Jacky Ngo

The Chinese University of Hong Kong

### Kam-Bo Wong

The Chinese University of Hong Kong

### Jihong Han

Nankai University, China

### Yan Qin

Institute of Biophysics, CAS, China

### Kin-Yiu Wong

Hong Kong Baptist University

## Organized by:

Biochemistry Programme  
School of Life Sciences, CUHK

## Co-organizers:

## Sponsors:

TIN HANG TECHNOLOGY LIMITED
